THE RIDGE HOUSE! KEALAKEKUA BAY HAWAII.

THE HAWAIIAN ISLANDS ARE noted the world over for their unrivaled salubrity of climate. Certain localities in the group are espec-ially favored in this way.—The District of Kona, on the leeward side of Hawaii, has long been famed as a place of resort for invalids with bronchital, or lung diseases. With its pure and mild atmosphere, with its absolute freedom from storms or high winds, with its porous soil which, with all its rich vegetation, retains no dampness and yields no malaria, and with an unvarying temperature—that of the American or Southern European June—ALL THE YEAR ROUND, the climate of Kona is one of the healthiest and most luxurious on the globe. the globe.

The undersigned, at his house at Kaawaloa, a house unequaled in the district for size, cleanliness, commodiousners, and thoroughness of furnishing, is prepared to give boarders excellent rooms and all obtainable comforts in the way of diet. on the premises, and fine sea bathing within a short distance.

The steamer Kliauea and the schooners Uilama and Prince, run regularly between Honolulu and the Kaawaloa landing.

The undersigned employs no agents nor runners. His house speaks for itself upon inspection.
